

Epilepsy Foundation of Long Island Support Group

First I would like to wish you and your family a very
happy healthy holiday season.

This flyer is to invite you to our monthly
Epilepsy Support Group.

The objective for this group is to engage young adults up to the
age of 55 to participate in a group that will provide support and
new information about Epilepsy, in a fun and active environment.

The group will be about you for you.
4th Wednesday of every month,
