MEET OUR HONOREE

Founded in 1980, Moritt Hock & Hamroff, LLP is a full-service law firm that provides a wide range of legal services to businesses, corporations, and individuals worldwide from its New York offices in New York City and Garden City and Florida offices in Fort Lauderdale and Boca Raton. The firm has extensive experience in virtually all disciplines of law affecting businesses, including not-for-profits.

Their guiding principle, *Strength in Partnership*, lies at the heart of their commitment to their clients, lawyers, staff, and community. This principle shapes their approach to serving as trusted advisors and advocates.

Moritt Hock & Hamroff LLP ardently advocates on behalf of service providers who deliver programs and services under the auspices of the NYS Office for People with Developmental Disabilities, the NYS Office of Mental Health, and the NYS Office of Addiction Services and Supports. Their not-for-profit group strives to combat community opposition and discrimination in housing and facilities, ensuring that people with disabilities have the same rights to adequate housing as all other individuals.

Strength in Partnership

The EPIC Family of Human Service Agencies is pleased to recognize Moritt Hock & Hamroff LLP as our Honoree for the 2025 Golf, Tennis & Pickleball Tournament. We are grateful for their many decades of trusted counsel, continued partnership and for their tireless advocacy for individuals with intellectual and developmental disabilities and mental health diagnoses and for the agencies that serve them.
